

# TEAM BUILDING FACT SHEET

Ziptrek Ecotours is an award winning eco-tourism company, situated at Skyline Gondola hill, right in the centre of Queenstown. We take guests on a journey through the native forest using ziplines, connected to incredible treehouses, for a fun adventure taking in the stunning lake and mountain views.

Our team building activities offer a personalised tour with two experienced guides, accompanying every group of ten. We incorporate a range of mental and physical challenges tailored to the group's requirements, expectations and needs.

As NZ's #1 zipline tour adventure we have over 1/2 million zips under our belt as well as a unique patented braking system which allows guests to sit back, relax and not have to worry about controlling their speed or stopping, as our guides take care of this, making it suitable for all ages and confidence levels.

## IMPORTANT INFORMATION:

- Available on the Moa 4-Line or Kereru tours
- Incorporates a range of mental and physical challenges on stunning treehouse platforms and in the surrounding forest, in-between each zipline
- The unique advantage of the team building tour is all groups start and finish at the same time
- Includes up to 4 individual ziplines (flying foxes) – steel cables connected to the treehouses that let you travel through the forest tree to tree
- The team building can replace the eco and local information talks that take place on our regular tours
- All weather, all year round activity allowing for peace of mind
- Guests do not control their speed or stop themselves, allowing for all ages and abilities to take part in this activity
- Situated at the popular and easily accessible Skyline Gondola hill
- Minimum of 10 persons and maximum of 60 persons, per team building booking
- 2 guides per 10 persons
- Branding on treehouses and decks available
- Limited F&B options are available on request, at an additional charge
- Price is commissionable.

**PRICE - FROM \$125 PER PERSON**
