BOOKING ESSENTIALS:

 Tours depart from the Ziptrek treehouse, situated at the top of the Skyline gondola. Our tours are accessed by travelling up the gondola (allow 40-60 mins) or walking up the Tiki Trail (allow 60-90 mins).

 We operate in all weather conditions, all year round.

 Warm outer layers are required due to the changeable nature of this alpine environment. This is not just a winter essential, but a year round recommendation.

 Closed-toe, supportive shoes are essential on all tours.

 Gondola tickets are additional and must be purchased separately.

 Guests are required to check in at the Ziptrek treehouse 15 mins before their tour is scheduled to start.
